Chairperson

The mentoring program offers a setting for young women in High School to come together each month to discuss issues concerning everyday life and its challenges. The program is designed to motivate, instill morals, and train in obedience to God and His divine Word. The program also promotes a life of respect and example for others to follow.

**Mission:** To motivate, instill morals, and train in obedience to God and His divine Word promoting a life of respect and example for others to follow.

**Vision:** Young women that are dedicated and willing to live according to God’s Word
